Dr Monteiro was appointed to the Mysore Medical Service with effect from the 23rd Nov 1928 as an Asst Surgeon first grade, on a pay of Rs 200/- per mensem on probation for one year. After the close of the probationary period Dr Monteiro applied for confirmation, with permission to count his service during this period, for purposes of leave, increment and Dr Mylrogeswara, the Item Senior Surgeon, recommended his case for favourable consideration. But Govt accorded sanction to his confirmation as from the date of the completion of his probationary period, but did not sanction his other request namely, to count his probation period for purposes of leave & increment.

The position here is a little peculiar.

When Mr. Monteiro was apptd as Probationary Asst Surgeon, First Grade, on a pay of Rs. 200, Messrs. Gundappa, Subbarao Krishnamurthi & Narayan prasad were in the Second grade on Rs. 160. But during the probationary period of Mr. Monteiro, all the four others were promoted to permanent places in the first grade & became entitled to their increments earlier than Mr. Monteiro. ~~Though~~ Though at the time of Mr. M's appt., they occupied a lower place, they now get a higher pay than

He was appointed as First Grade Asst. Surgeon on Rs. 200 on probation for one year when the other four gentlemen were appointed Gr. Asst. Surgeons on Rs. 160. The Cadre of 1st Grade Asst Surgeons was specially increased by one on his account and his place was fixed in the G.O. as being below the place of Major

The file relating to the appointment of Mr. Monteiro does not show that it was the intention that he should rank as senior to officers drawing a higher rate of pay than himself. Attention is invited in this connection to the note by the then Second Member. It is stated therein that Mr. Monteiro should be placed below those who are already getting Rs 200. This shows that there was no intention of giving him a place higher than that warranted by his pay. As the four officers referred to in para 10 of the notes are reported to have been confirmed earlier than Mr. Monteiro, they are drawing higher rates of pay than the latter and should rank as his seniors in the usual course. As observed by the Senior Surgeon, it is an anomaly that position in the list should not follow pay.

The point for orders here is the relative position in the Civil List of Messrs. Monteiro, Gundopanth, Subbarao Krishna Murthi and Narayan Prasad.

When the last four were Second Grade Asst Surgeons on Rs. 160, Mr. Monteiro was appointed First Grade Asst Surgeon on Rs. 200 on probation for one year and placed above the other four. While he was still in the probationary period, the four medical officers below him were promoted as permanent Asst Surgeons and are now in receipt of higher pay than Mr. Monteiro. The Senior Surgeon's proposal now is to fix Mr. Monteiro's pay [illegible]

X. I may add that the in the Submission note to H. 18. there is nothing about Mr. M's apptt being on probation. This was added at the last minute. Please see the H. about Mr. Monteiro's appointment.

Reference to his present pay and to place him below the other four.

24 The Fin^{l}. Sec^{y}. has expressed the view that the Senior Surgeon's proposal is in order unless there are special reasons. With ref^{ce}. to this, it was pointed out that

(1) Mr. Monteiro was started in a higher grade and on a higher pay than the other four

(2) that the Cadre of Asst Surgeons first Grade, was specially raised on account of Mr. Monteiro's appointment and

(3) that his pay was specially fixed, at the time of his appt., at the bottom of those getting Rs. 200 at the time (and therefore above those getting less)

25 The Fin^{l}. Sec^{y}. does not think that these facts are sufficient to entitle Mr. Monteiro to retain his seniority.

26 This is the point on which orders are solicited.

Sir,

In forwarding herewith, in original, letter, dated 6th November 1925, from Assistant Surgeon Mr. S. Narayana Prasad, regarding the position of Mr. V. V. Monteiro in the Civil List, I have the honour to state that it is really an anomaly, that an Officer drawing a certain pay should occupy in the list a place above several other officers who commenced to draw the same pay from an earlier date, and to request that, if you have no objection, the mistake may kindly be caused to be corrected in the next Civil List.

I have the honour to be, Sir,
Your most obedient servant,

Senior Surgeon.

TO

SENIOR SURGEON

with The Government of Mysore,

Bangalore.

Sir,

I beg to submit the following representation for your kind consideration and favourable orders.

In the published Civil List (corrected upto Ist July 1925) Mr.V.Monteiro is placed 7th in rank in the cadre of Assistant Surgeons of Ist grade and comes above four Assistant Surgeons who are actually senior to him,--- firstly, by reason of higher pay actually drawn by each on the Ist July, secondly,on account of priority of confirmation in the grade, and lastly because every one of the four Assistant Surgeons refferred to,including myself, has renderad approved service of over eleven years. I respectfully urge that as between Mr.Monteiro and myself,I have all along been in receipt of ~~higher~~ higher pay and was confirmed in the grade prior to the date of confirmation of Mr.Monteiro. I venture further to bring to your kind notice that it is usual in all departments to fix the relative rank of officers according to their substantive pay. I pray that this principle may kindly be extended to my case also and that you will be pleased to redress our legitimate grievance by recommending to Government a proper readjustment of of places in the cadre.

I beg to remain, Sir,
Your most obedient servant,

S. Narayana Rao
Assistant Surgeon,
Head Quarter Establishment.
